

	Year 7	Year 8	Year 9	Year 10	Year 11
Term 1	Unit 1 – Analysing and displaying data Unit 2 – Calculating Unit 3 – Expressions, functions and formulae Unit 4 - Graphs	Unit 1 – Number properties and calculations Unit 2 – Shapes and measures in 3D Unit 3 – Statistics Unit 4 – Expressions and equations	Unit 1 – Number Unit 2 – Algebra	Unit 9 – Graphs Unit 10 – Transformations Unit 11 – Ratio and proportion	Unit 18 – Fractions, indices and standard form Unit 19 – Congruence, similarity and vectors Unit 20 – More algebra
Term 2	Unit 5 – Factors and multiples Unit 6 – Decimals and measure Unit 7 – Angles and lines	Unit 5 – Decimal calculations Unit 6 – Angles Unit 7 – Number properties	Unit 3 - Graphs, tables and charts Unit 4 – Fractions and percentages Unit 5 – Equations, inequalities and sequences	Unit 12 – Right-angled triangles Unit 13 – Probability Unit 14 – Multiplicative reasoning	Revision
Term 3	Unit 8 – Measuring and shapes Unit 9 – Fractions, decimals and percentages Unit 10 - Transformations	Unit 8 – Sequences Unit 9 – Fractions and percentages Unit 10 – Probability	Unit 6 – Angles Unit 7 – Averages and range Unit 8 – Perimeter, area and volume 1	Unit 15 – Constructions, loci and bearings Unit 16 – Quadratic equations and graphs Unit 17 – Perimeter, area and volume 2	Revision
